1. SIGN UP PAGE - Welcome to the sign up. Fill in the details to create an admin account

A screenshot of a Mac OS X desktop showing a Safari browser window. The address bar shows 'library-assistant-app.vercel.app'. The main content is a sign-up form for 'Learnly Library' with fields for Username, Email, Password, and Confirm Password, each with a placeholder and a 'Create password' link. A 'Sign Up' button is at the bottom. The browser has a dark theme. The desktop background shows a grid pattern, and the Dock at the bottom has various application icons like Mail, Safari, and Finder.

2. LOGIN PAGE - This is the login page, after creating an account, you can now login

3. DASHBOARD SCREEN - This is the dashboard with shortcuts and data summaries

4. ADD BOOKS SCREEN - fill in the book details o add books to the system

The screenshot shows a web browser window for 'library-assistant-app.vercel.app'. The title bar includes the Safari logo, file menu, and a search bar with the URL. The main content area is titled '+ Add New Book' and contains fields for Title, Author, Category, Description, Publish Date (set to 06/11/2025), Reading Time (minutes 0), Number of Copies (1), and a large 'Add Book' button.

On the left, a sidebar navigation menu lists: Dashboard, Add Books (selected), Book Search, Book Requests, Member Management (with a green dot), Issued Books, and Fines Management.

The status bar at the bottom shows the date and time: Thu 06 Nov 13:18.

5. BOOKS SCREEN – here you can search books. The Red delete button to delete the book. The BLACK button to assign the book to a user and the WHITE button to edit book

The screenshot shows a web browser window for 'localhost'. The title bar includes the Safari logo, file menu, and a search bar with the URL. The main content area is titled 'Book Search' and displays a search form with a placeholder 'Search by title, author, or ISBN...' and a 'Search' button. Below the search form, two book entries are listed:

- A Brief History of Time**
Author: Stephen Hawking
Published: 1988
ISBN: 9780553380163
Category: Science
Availability: Available: 2/3
- A Midsummer Night's Dream**
Author: William Shakespeare
Published: 1595
ISBN: Auto-generated
Category: Comedy
Availability: Available: 5/5

Each book entry has three small buttons on the right: a white edit icon, a red delete icon, and a black assign icon. A large red circle highlights the red delete button for the first book entry. A green arrow points from the text 'The Red delete button to delete the book.' to the red button. A black arrow points from the text 'The BLACK button to assign the book to a user and the WHITE button to edit book' to the black assign button.

The status bar at the bottom shows the date and time: Thu 06 Nov 13:37.

6. BOOKS REQUEST – see all book requests made by users to **approve or reject**

Screenshot of the Library Management System showing the Book Requests page. The sidebar menu includes Dashboard, Add Books, Book Search, Book Requests (selected), Member Management, Issued Books, and Fines Management. The main content area shows a list of book requests. The first request is for "The Order of Time" by Carlo Rovelli, requested by user (user@library.com) on 06/11/2025. The status is "4 copies available". To the right of the request are two buttons: a green "Approve" button with a checkmark icon and a red "Reject" button with a cross icon. A red curved arrow points from the "Approve" button to the right.

7. MEMBER MANAGEMENT – accept user account creation and manage members. **RED BUTTON** to delete a user. MIDDLE BUTTON to Suspend users and PEN (FIRST) BUTTON to edit user details

Screenshot of the Library Management System showing the Member Management page. The sidebar menu includes Dashboard, Add Books, Book Search, Book Requests, Member Management (selected), Issued Books, and Fines Management. The main content area shows a list of members. The first member is "username" (user@name.com) with a pending request. The second member is "admin" (admin@library.com) with status "active" and joined on 20/08/2025. The third member is "jane_smith" (jane@example.com) with status "active" and joined on 20/08/2025, Books: 0. The fourth member is "john_doe" (john@example.com) with status "active" and joined on 20/08/2025, Books: 2. The fifth member is "librarian" (librarian@library.com) with status "active" and joined on 20/08/2025. Each member entry has three icons: a pencil for edit, a person for suspend, and a trash can for delete. A red curved arrow points from the delete icon of the "jane_smith" entry to the right.

8. ISSUED BOOKS – See all books issued to users. Report Damages and / mark book as returned.

The screenshot shows the 'Issued Books' section of the Library Management System. On the left, a sidebar menu includes 'Dashboard', 'Add Books', 'Book Search', 'Book Requests', 'Member Management', 'Issued Books' (which is selected and highlighted in blue), and 'Fines Management'. The main content area is titled 'Issued Books' and 'Manage books currently issued to users'. It features a search bar for 'Search by User' and 'Search by Book Title'. Below this, a section titled 'Currently Issued Books (3)' lists three books: 'Romeo and Juliet' by William Shakespeare, 'A Brief History of Time' by Stephen Hawking, and another unnamed book. Each book entry includes the author, borrower information, issue date, due date, and an 'overdue' status indicator. Buttons for 'Report Damage' and 'Mark Returned' are available for each book entry. The top right of the screen shows a welcome message 'Welcome, librarian (admin)' and a 'Logout' button. The top of the window displays the browser title 'library-assistant-app.vercel.app' and the system status bar with the date 'Thu 06 Nov 13:18' and battery level '91%'. The Mac OS X Dock is visible at the bottom of the screen.

9. FINES MANAGEMENT – see and manage all fines by different users. When a user pays, click **PAY OVERDUE BUTTON** to make payment

The screenshot shows the 'Fines Management' section of the Library Management System. The sidebar menu is identical to the previous screenshot. The main content area is titled 'Fines Management' and 'Manage library fines and penalties'. A summary box shows 'Outstanding Fines' with a total amount of 'R1365.00' and '3 outstanding fines'. Below this is a search bar for 'Search Fines'. The main list is titled 'All Fines (3)' and shows three entries: 'Twelfth Night' by William Shakespeare and 'Romeo and Juliet', both of which are marked as 'Overdue'. An orange button labeled 'Pay Overdue (R310.00)' is located next to the 'Twelfth Night' entry. A large red arrow points from the text 'click **PAY OVERDUE BUTTON**' in step 9 towards this orange button. The top right of the screen shows a welcome message 'Welcome, librarian (admin)' and a 'Logout' button. The top of the window displays the browser title 'library-assistant-app.vercel.app' and the system status bar with the date 'Thu 06 Nov 13:18' and battery level '91%'. The Mac OS X Dock is visible at the bottom of the screen.
